This Patent Book K. 2583

IN FILLING this Scrap Book NEVER gum in papers, etc., close to binding. Leave at LEAST ONE-HALF INCH from back of leaf.

To get a better result after gumming the paper or picture on the leaves, STAND the book up on END, the leaves spread apart so that the air can flow through and dry. This will prevent MOULD, and the leaves will be less liable to wrinkle.

PAT. MARCH 22, 1892.

DATED JULY 8, 1908

Lamar Colo. 7/21 1908.

Dear Sir and Brother:

Enclosed find a description of two men who robbed the Amity State Bank Thursday, July 9<sup>th</sup>, 1908, at 2-30 P.M.

I want you to make every effort possible to arrest these men, if found in your county.

They are supposed to be desperate men, so take no chances. These rewards are offered dead or alive. Any information you can give of these parties, wire at my expense and I will be there as soon as possible with a man to identify them.

"Kid" Wilson generally enters a town first to size it up, being more ordinary in appearance than Starr, he will take more chances on being recognized. He talks very freely and is said to have a habit of keeping his right hand in his pocket and wiggling his thumb.

I hold Warrants.

Geo. H. Thomas  
Sheriff.

It is known that they have many friends formerly from the vicinity of Dewey, Nowata, and other parts of Oklahoma, scattered over Colorado, Montana, and Wyoming; relatives and friends live in Prowers County Colorado.

When you get these men, or any information, wire or write George H. Thomas, Sheriff of Prowers County, Lamar, Colorado.

DATED JULY 8, 1908

## REWARD \$2400.00

July 9th. 1908. The State Bank of Amity, Colorado was held up by two unmasked men, and all the money in sight, \$989.85, taken. The job was done by the two notorious out-laws, Henry Starr and "Kid" Wilson of Oklahoma. These two men were in town about an hour and talked to several parties, so that we can give a good description, which is as follows: Henry Starr, about 5 feet 11 1/2 inches tall, weight about 175#, athletic build, dark complexion, high cheek bones, dark eyes, black straight hair, no beard, shows the indian blood and looks to be a half breed, age 35. Starr is a well educated man and can converse with you on any subject. Kid Wilson is a white man, very much sun-burned, almost as dark as Starr, hair is brown, wears a mustache which droops over his mouth and is a brown, with sandy turn, or shade lighter than that as some describe it. About 5 feet and 6 inches tall, pretty well built, square shoulders, weight about 150#, roving eyes and said to be dark gray, about 42 years old, does most of the talking. Both men wore soft hats, close fitting pants and traveled around here in their shirt sleeves, they evidently conceal their revolvers in the bosoms of their shirts as no one could locate any gun about them before the hold-up, although one man examined them close for that purpose, as he suspected them as being two suspicious persons he had been warned about the day before. They traveled about the country here on two bay horses, one darker than the other; the one rode by Starr was a mare, other a gelding. One horse paced and the other had a running walk, we think they were unbranded, both had dark points and would weigh about a thousand pounds. These horses are evidently well bred and are supposed to have been procured in the vicinity of Clayton, New Mexico. The rifles were carried on the right side of the saddle, suspended from the horn and covered by black slickers, hanging low and covering the saddle-horn; the rifles were supposed to be 'take down' Winchester. One saddle was a "Flynn" of Pueblo, nearly new, and the other was a "Frazier" of Pueblo and had a buckskin seat, in fair condition. Starr and Wilson are supposed to have come into this country hid away in a covered wagon, from Oklahoma, the team was a mule team, mules about 14 hands high and in good flesh, brown colored. We believe the driver had his wife and a little boy of 3 or 4 years of age. We believe the make of the wagon was "The Mandt". The Banks of Prowers County have subscribed \$1200.00 and The County Commissioners \$1000.00 for the capture of these two men who held up the bank. The Maitland-Moritz Agency Co. of Denver, Surety Co. who had the policy of this bank, will pay \$200.00 for the arrest and conviction. We believe the reward will be raised to \$3000.00 within a day or two by Banks west of this County. Concerning the description of the mule team and the driver of the wagon we merely aim to call your attention to them and ask anyone seeing a strange outfit answering the description, with or without the woman and child, to report to me and keep a trace on their actions. Starr and Wilson may travel from one part of the Country to another without saddle horses aiming to secure horses wherever they see fit to turn a "trick". In a new locality, they will first size up the country and lay plans for their escape before striking a lick. It is known that they have many friends formerly from the vicinity of Dewey, Nowata, and other parts of Oklahoma, scattered over Colorado, Montana, and Wyoming; relatives and friends live in Prowers County Colorado. When you get these men, or any information, wire or write George H. Thomas, Sheriff of Prowers County, Lamar, Colorado.

TO ALL PEACE OFFICERS.

During the past month a trunk thief has been successfully operating at various stations in Oakland and on the ferry boats of the Southern Pacific Company plying between Oakland and San Francisco. Sometime during the first week of July, 1908, ten local baggage checks were stolen from the depot at San Jose and are being used by the thief, who evidently is familiar with the manner in which baggage is handled by the Southern Pacific Company between local points.

The thief operates in the following manner: He locates some station where baggage is set outside of the baggage room, awaiting the arrival of train on which it is to be forwarded, and after the station baggageman has completed his record of such baggage, the thief, who has already selected a good looking trunk, will unobserved remove the strap check and substitute one of the checks stolen from San Jose, also checking the piece of baggage short of its original destination.

I enclose herewith a copy of the contents of three trunks which were stolen in this manner, also giving a full description of same.

One trunk, the property of Mr. and Mrs. Clapson of Livermore, checked at 1st & Broadway, Oakland, July 7, 1908, for San Francisco under check 489805. The trunk arrived at San Francisco under check 559209, one of the checks stolen from San Jose, and was immediately delivered to some unknown party.

Check 489976 also checked at 1st & Broadway for San Francisco. Original check removed and one of the stolen checks substituted.

These checks were evidently switched on board the Creek Route boat or on the dock at the foot of Broadway, Oakland.

Check 634238 checked at 1st & Broadway, Oakland, for San Jose July 13, 1908, check switched and check 559261 substituted, destination reading Haywards and delivery taken immediately upon arrival of train.

I would ask that you kindly instruct all men in your charge to keep a careful lookout for any of the articles named as the thief may try to dispose of them in your town either as a lot or probably peddle from house to house. Any information regarding this matter or that would lead to the arrest of the thief will be thankfully received by

Remarks:—Rickard received a pass from the Southern Pacific Co. from Oakland to New Orleans, La., where he was to go on a vacation trip, on or about March 1, 1908. On investigation it has been shown that Rickard never used the pass, but on March 1 he had his trunk and belongings removed from his rooms by an expressman to some unknown place. "J. W. R." was on the end of the trunk in big letters. Rickard was in good standing with the Southern Pacific Co., and was highly thought of by his superiors. He was not a drinking man and was always very steady at his work. He started in with the Southern Pacific Co. as a wiper, and worked his way up to his present position. The above picture was taken when Rickard was nineteen years old.

His father and three sisters are residing in this city and one sister named Mrs. A. Williams, resides at 672 E. Sixty-third Place, Chicago, Ill., and they have not received any word from him since he left. He had considerable money in bank and had on his person when he left about \$600. His relatives are afraid that he has met with some foul play. Kindly make enquiries at the Brotherhood of Locomotive Engineers of your city and the office of the round-house.

The above reward will be paid for the information that will lead to the whereabouts of Mr. Rickard by his father, James Rickard, of Fruitvale, California.

## REMARKS.

When last seen, Richard F. Parker wore a dark brown sack suit and a black derby hat. He walks with a quick gait and is an inveterate cigar smoker, constantly chewing the end of the cigar. He posed as a general contractor in iron and steel structural work. His method of operating was to rent an office in a building in Worcester, Mass., had letter heads printed showing his name and business, and then called upon the iron and steel industries of the city in which he was located and in a business like manner talked with the managers of these concerns, letting them understand that he was a contractor in iron and steel structural work; he then corresponded on his business letter heads with the investment brokers, asking quotations on good railroad bonds upon which he could realize a profit. Upon receipt of reply, party visited office of Messrs. A. B. Turner & Co. on Sept. 10th, 1908, and purchased bonds, giving bogus check in payment.

A warrant has been sworn out for the arrest of Richard F. Parker for forging and uttering a certified check and for the theft of \$30,000.00 worth of railroad bonds. This warrant is now in the hands of William H. Pierce, Superintendent of Police, Boston, Mass. Should this man be located, kindly cause his arrest and detain him until such time as an officer with the warrant can reach him, also notify the Boston Police Department or nearest of the above listed offices by telephone or telegraph at our expense.

years of age; height 5 feet 10½ inches to 6 feet; weight  
about 225 lbs.; clean shaven; full red face; sandy complex-  
ion; neatly dressed in dark suit and black derby hat.

This fellow's method of working is as follows:

He called on a lithographing company of Los Angeles  
and presented a card of a country firm, stating that he  
wished to have books of checks lithographed and asked  
for some samples of their work to be shown to his as-  
sociates. From a lot of sample checks shown him he  
selected blank checks, one of the Maier Brewing Com-

\$75.00 each and had no trouble in passing same in saloons.

I think there is no doubt that he will continue this  
method and would suggest that you at once call upon  
the lithographing companies of your city.

CHIEF OF POLICE

OFFICE OF THE SHERIFF OF MULTNOMAH COUNTY, OREGON.

Portland, Oregon, November 22, 1908.

I hold warrant for F. Theorien, charged with murder, whose description follows: age 39, height 5 ft. 10 in. weight 175 lbs; light hair, blue eyes; light complexion; smooth shaven; occupation, sailor mate and master; criminal occupation forger; large pit scar left side of neck; hair mole left cheek; pug nose; cut scar inside second finger left hand; large red stains left hip; tooth probably missing lower jaw; walks with head forward giving him the appearance of being stoop shouldered, and bends slightly forward when in conversation. Face red and flushed; talks quickly and is hard of hearing; when last seen wore brown suit with black stripes; light Fedora hat; standup collar, corners turned down; thick dark four-in-hand tie.

A sailor by the name of Rasmussen was murdered on probably Wednesday Nov. 18, on the Steam Schooner "Washington" which was lying at the Dry Dock in this Port. Rasmussen was acting as a Watchman on the "Washington" and was the only person on board at the time. On the afternoon of the 18th, a harbor tender known as "Palmer No. 2" called at the "Washington" and called for Rasmussen to take over his supplies. He did not answer, but a man came out of the engine room closing the door behind him and said that he also had been looking for Rasmussen but could not find him. Rasmussen was found the next day shot through the head with probably a 38 or 41 calibre bullet. At the office of a local Steamship Co., who had been looking after the "Washington" here in a way, we learned that F. Theorien had made application for a position as Mate on the "Washington" and told the Steamship representative that he was going down to the boat on the morning of the murder. His description tallies with that given by the Master on the "Palmer No. 2" and also with the description as given by sailors on a ship lying close by the "Washington". Please keep a lookout for this man and if found arrest and wire me promptly and I will send after him. Please wire or telephone all information to the undersigned at my expense.

## \$225.00 REWARD

### \$200 FOR MAN—\$25 FOR WATCH

#### DAVID L. HORNER

The above reward will be paid for the arrest and detention of D. L. HORNER until an officer can come and get him. He is wanted in Polk county, Nebraska, for child stealing, for which charge I hold a warrant. He is also charged with horse stealing, burglary and larceny. On August 8, 1908, he enticed away a 16-year-old girl. He was arrested in Belleville, Kansas, and brought back to Nebraska and escaped from me on the night of August 13. He is charged with entering a dwelling house where he used to work and stealing a number of articles, among them a solid gold watch. He, no doubt, has disposed of the watch.

He again returned to Polk county on October 13 and made another attempt to get the girl. He met her and a boy in the road about 1 o'clock at night and tried to hold them up, but they ran away from him and the girl got into a house, but he got the boy, tied him hands and feet and drove away with horse and buggy, which has not been found. He has relatives in Iowa, Tennessee and Georgia; is well educated, and liable to be in any kind of business. He has followed cooking for bridge gangs and also done farm work. He was admitted to the bar in Tennessee about ten years ago.

Now, brother officers, I want this man badly, and I hope you will be on the lookout for him, as it is known he does not stay long in a place.

#### DESCRIPTION OF HORNER:

Age, 31; height, about 5 feet 10 inches; weight, about 170 or 175 pounds; golden hair, large ears, fair complexion, red face; blue or grey eyes; scar under chin. The above pictures are late ones.

#### DESCRIPTION OF WATCH:

Solid gold, with the name "August Thelan" engraved in case. The number of watch is not known. Mrs. Thelan will pay \$25.00 for return of watch.

#### DESCRIPTION OF HORSE AND BUGGY:

Horse very dark iron grey; 3 years old past; weight about 900 pounds; well built; carries head low. Open buggy, with red running gears; black box with spoke seat; strip tore off back end of box; buggy badly faded. He may have disposed of this rig. The reason no reward is offered for horse stealing is because we want him on a more serious charge, but would like to find the outfit, and I kindly ask all officers within a reasonable distance from here to make a special effort to get trace of the outfit as it may lead to his arrest. All officers who receive extra circulars, please distribute them.

Kastens corresponds with Miss Clara Pfile, 674-31st Street, Oakland; and Miss Jacobson, 608 Buchanan Street, San Francisco. He writes most of his checks for 12.50, and has done most of his business with hardware firms here. His favorite trick is to go into an office and ask for blank check, saying he is in a hurry to catch a train, forge the firm's name, give the check on a small purchase a few doors away and pocket the change. He is wanted here on five charges. Arrest and notify. I hold warrant.

## WANTED FOR BURGLARY

The following described pictures were stolen from the Public Library on the night of February 5th, 1909.

## Paintings by C. A. Fries,

The Vagabond, And old tramp with a violin in hand, leaning against a fence. Half figure showing; Painted in a low or dark key, about 9x12.

Fruit Piece, a square market basket tipped over with white and purple grapes and peaches falling out. Bright color about 16x20.

Landscape, road running off in perspective. Trees on both sides, the trees are of different kinds, rather indistinct, but some Eucalyptus. About 12x14.

## Paintings by Mary B. Williams,

Landscape in Oil, 20x28. Looking through large trees to distant mountains. The interest centered on a strong blaze of sunshine, and striking a light green growth in middle distance.

Life size head in Oil, 19x24. Young Girl with light brown hair, hanging loose and head drooping with eyes cast down. A yellow quality prevails the whole and the drapery is soft light green.

## Paintings owned by A. R. Valentin,

Canvas by J. Otis Adams, size 22x29. Signature in bright red. Autumn Landscape of sandy river bed and hills with Sycamore trees and shrubbery. Sky entirely covered with grey clouds, the entire picture roughly painted and with heavy color. Intense green spots of grass painted in places along river bed. Very characteristic of the effects after fall rains in the middle west. Scene—River bed Whitewater River, Brookville, Indiana.

Canvas by W. Forsyth, size 18x24. Signature in red. Autumn Woodland Hillside, with three cows coming through the woods, foreshortened views of the cows, especially the one in foreground. Deep rich coloring throughout the entire picture of greens, browns and autumn tints bright spots of sunshine at intervals shown on hillside through the foliage of the trees. Painted in impressionistic manner with heavy color.

Canvas by A. Lytle, 16x19. Profile view of young and pretty girl, facing to the left, about 10 years of age. Very dark, gypsy like complexion and hair hanging down back. Tan colored jacket, background of picture dirty creamy white.

Canvas by A. R. Valentin, size 18x24. Summer Landscape, three Locust trees in almost middle of picture, side by side, several smaller ones to the farther side. Blue hills in middle distance, leaving the impression of a deep valley between the trees and hills. Foreground of shrubbery, weeds and ground broadly painted in rich tones of color. Title given to the picture was "The three Sisters" owing to the principle feature of the trees.

## Painting owned by N. V. Sullivan,

Strand at Zandvoort, Holland. Painted from cliff in foreground, in color, water and sky dull leaden blue gray, a few wind swept white clouds, boats in middle distance having white sails, the foreground cliff and beach have prevailing tone of neutral greens and tawney greys; a small black fisher boat on the beach is the strongest note in the picture, painted in oils, the face of the canvas has the holes made by the carrierpins in each corner.

## Paintings owned by Wm. H. C. Pierce,

"Eucalyptus Grove at Sunset" I should say that the most distinguishing mark to trace this picture by is the glint of gold-leaf through the foreground and roadway which is in the middle of the picture and leads through the young grove of Eucalyptus trees these and the foreground are brown, Sky from horizon red to yellow. Signature in dark brown in lower left hand corner Pierce or W. Pierce.

Size of panel 7 3/4 x 10 1/2. Signature H. Devieux, under the name is two marks that could either be a date or R. S. not plain. The panel has in the back an old mark of a Paris dealer in Artistic materials the signature is near the top on the right hand side. The subject is "A Court Yard Interior." A woman is scouring a copper kettle and old pewter plate from which chickens are feeding, is in the front of her on the left side in an old rain barrel and water spout. Either a long narrow bird cage or lantern hangs from the top of the picture near the signature. The general tone is warm brown mellow with age—varnish has a cracked effect—textures are carefully painted.

I hold John Doe Warrant for burglary; arrest and hold any person attempting to dispose of the above named property, and I will send officer with proper papers.

San Diego, Cal., February 15, 1909.

W. T. NEELY, Chief of Police.

This man fraudulently obtained in the City of Los Angeles something like \$100,000.00, his checks being for large amounts. Following is data sufficient to enable the arresting officers to file a fugitive from justice complaint, pending the arrival of an officer from this state with extradition papers, viz.:

Complaint on oath of C. A. Jones filed in the Justice's Court of Los Angeles City, County of Los Angeles, State of California, before H. H. Rose, Justice of the Peace of said city, on the nineteenth day of March, 1909, charging that the said Harry D. Brown, in said city, county and state, did, on or about the fifth day of February, 1909, embezzle from Nettie E. Hammond, of said city, county and state, the sum of eight hundred (\$800.00) dollars, the personal property of the said Nettie E. Hammond; warrant issued by said Justice from said court on the nineteenth day of March, 1909, and placed in my hands for service.

I also hold two warrants for the arrest of said Harry D. Brown, issued on the sixteenth day of March, 1909, from the above court by the above named Justice, on complaint of Joseph Rittigstein, charging that the said Harry D. Brown did make, draw, utter and deliver to said Joseph Rittigstein two checks, one for \$3000.00 on March 6th, 1909; the other for \$1000.00 on March 8th, 1909, both on the Union Exchange Bank of Los Angeles, California (a corporation), when, at said time, he, the said Harry D. Brown, had no funds in said bank. Both the latter charges are also felonies under the laws of the State of California.

Said Harry D. Brown has twice been arrested in the City of New York for felony and on December 11th, 1903, in said city, was convicted on charge of Grand Larceny and sentenced to six months in Blackwell's Island penitentiary. He was also arrested in Chicago on May 29th, 1896, for attempting to pass a bogus check. He is well known throughout the eastern portion of the United States.

I am particularly anxious to secure the apprehension of this man and upon being notified of his arrest, requisition papers for his return to California will be promptly secured.

If arrested in any foreign Territory, upon such arrest extradition will at once be applied for to the United States Government, and immediate steps will be taken to make such application as soon as notification of arrest is received.

Dear Sir:-

To day between the hours of 8 A.M. and 11 A.M. my bicycle was taken from the rack in front of the post office in this town, and I have as yet found no trace of it.

The wheel is the manufacture of the Mead Cycle Company and is called the Ranger. Number 38568. It was new last December but having used it a good deal in the rainy weather both rims are warped. It has the appearance of being new. There was a bell on the handle bar, a tool box on the frame and a clamp for holding a pump, but the pump was not in the clamp.

I will appreciate any efforts you may make to locate it within your jurisdiction.

Yours truly,
